La très grande princesse

This block contains a large illustration of the princess from the book, enclosed in a blue rounded rectangular frame. Below the frame is a horizontal row of five circles. The first two circles are filled with a blue gradient, and the remaining three are empty white circles with black outlines. A small logo with colorful hands and the text "MC EN MATERNELLE" is visible in the top right corner of the block.

This block is similar to the one on the left, but the circles below the princess illustration are arranged differently. The first three circles are shaded grey, and the last two are white. This setup is used for a self-correction activity. A small logo with colorful hands and the text "MC EN MATERNELLE" is visible in the top right corner of the block.
